Ref: Konrad

To whom it may concern, this is to certify that the above named worked with us in our Pre-press department for 12 months approx

We found Konrad to be a most diligent professional, with specific understanding of the Large Format print sector. I would have no hesitation in recommending Konrad for any similar roles. His attention to detail was excellent and was always willing to go above and beyond what was expected

Best regards, Tony Roe

Managing Director McGowans

Tony Roe
